HomeTeamNS FAMILY DAY 2018
23 JUN 2018, 7PM
UNIVERSAL STUDIOS™ SINGAPORE**

HomeTeamNS members,

Volunteers,

Families and friends,

1. A very good evening. I am happy to join you today for the first HomeTeamNS Family Day at Universal Studios Singapore. We have booked the theme park this evening exclusively for you, our NSmen and your families to enjoy.

2. First and foremost, I wish to acknowledge and thank all Home Team NSmen for your contributions in keeping Singapore safe and secure. Also, not forgetting your family members, who have supported you in carrying out your NS duties.

3. At HomeTeamNS, we constantly seek to refresh our offerings to stay relevant to the needs and interests of our members and their families. To keep our HomeTeamNS membership attractive, we also continually think of new ways to enhance our membership privileges.

4. Today, I am pleased to announce that we will be introducing 3 new benefits for our members from next month.

(i) Firstly, we have partnered with Cathay Cineplexes to offer our members \$3 off weekend movie tickets, from Friday to Sunday. Members will also be able to enjoy exclusive movie previews as well as snack promotions.

(ii) Secondly, all Ordinary members will be able to enjoy complimentary personal accident insurance coverage worth \$30,000. This membership benefit is a first for a NS association.

(iii) Lastly, we are pleased to offer a one-time, free 2 year membership extension for all HomeTeamNS Ordinary members age 51 years old and above. This 'GenNext' membership will come with the movie and insurance privileges, as well as \$100 off Fitness Works' one year gym membership.

5. I wish to thank Cathay Organisation and all our partners who have made it possible for us to provide these privileges to our members.
6. I also want to thank all of you for coming today. Without your continued support, we would not be able to hold such large scale events, so thank you.
7. Here's wishing everyone a great time at USS! Have fun and happy bonding.
